

PENN HOSA-Future Health Professionals CHAPTER AFFILIATION DIRECTIONS

ATTENTION ALL ADVISORS & RELATED SCHOOL PERSONNEL

Please be aware that the agreement at the end of the affiliation process and HOSA's Policy and Procedures Manual state that chapters will be expected to pay for all of the members affiliated and there are no substitutions for those members. No exceptions are allowed. For this reason we strongly encourage each local PENN HOSA-Future Health Professionals Advisor to complete the affiliation process CAREFULLY and ACCURATELY! Best practice = Print the roster before clicking "Done" and check that 1) you entered every member, 2) every name is spelled correctly and 3) you have no duplicate member names because you will be invoiced for every name on the roster.

REMINDER WHEN SENDING PAYMENTS

- **Chapter membership fees** – Go Directly to HOSA

BEFORE YOU BEGIN THE PROCESS MAKE CERTAIN THAT YOU HAVE:

 - b. **Make sure that you do not have any duplicate names on the roster** as you cannot delete names from your chapter after they are submitted. [See HOSA Bylaws]
 - i. If the same name appears twice on the roster, the invoice will reflect each name as a separate member and the chapter will be billed accordingly.
 - ii. If a name appears twice and you do not recognize the mistake until after the form has been transferred, please contact your State Advisor, Walt Slauch, @ wslauchhosa@gmail.com. He will contact National HOSA on your behalf and request to have the duplicity corrected and the invoice information changed
 - c. Verify that HOSA 100 has been checked only if you are affiliating on or before October 15 of the current affiliation year
 - d. Verify that 100% Affiliation has been checked only if **all** of your HSE (Health Science Education) students have enrolled in HOSA-Future Health Professionals
 - e. Verify that New Chapter has been checked only if your chapter has never previously been assigned a charter number
 - f. Chapters may NOT substitute names on the Chapter Affiliation Application once it is submitted

15. After reading the Chapter Affiliation Application Agreement in its entirety, click “Done” one time only. ***Please DO NOT click “Done” more than once; doing so will result in duplicate submissions meaning you will be charged more than once for membership fees.***
 - a. Clicking “Done” returns you to the Chapter Affiliation Screen

16. Print an invoice for your records **and** for submission to your Business Office
 - a. On the Main Menu under Chapter Affiliation click on “View and Print Affiliation Account Statement”
 - b. **Invoices are NOT issued by PENN HOSA** thus it becomes the advisor’s responsibility to print this invoice for his/her use
 - c. Total payment for membership fees of \$16.00 per person, including the Advisor, is **due within 30 days of submitting the membership affiliation** and should be handled as follows:
 - i. Make check for **total fees payment payable to: HOSA-Future Health Professionals**
 - ii. Include your **charter number, current year & membership fees** somewhere on the check to assist National HOSA in crediting the correct chapter for payment

1. Example: #18000 2016-17 Membership Fees

iii. **Send check to: HOSA, Inc. | 548 Silicon Drive, Suite 101 | Southlake, TX 76092**

REMEMBER....This is the only payment you will send to HOSA

17. Print a list of all chapter members for your records by returning to the Main Menu Chapter Affiliation screen and clicking on “View and Print a Membership Directory”
 - a. Place a copy of this in your HOSA binder for quick reference when checking to see who is an affiliated member; this becomes critical when 1) registering a member for State Leadership Conference (SLC), 2) for an eligible member applying for a Penn HOSA scholarship and 3) for required PDE program re-approval
18. Return to Main Menu and click on “Logoff” in upper right hand corner of the screen

TO COMPLETE SUPPLEMENTAL AFFILIATION

You may add members at any time throughout the school year by completing the process the same way you did for your initial (first) membership.

Extremely Important Advice before you affiliate any new members....always review your chapter roster before adding supplemental member names.

- Refer to #17 in these directions to access “View and Print a Membership Directory”
- After viewing the list of names, continue with the directions to add supplemental members
- REMEMBER, the chapter is responsible for all members listed in the Membership Directory so following this advice will help prevent duplicity of names thus keeping your membership fees payment to what it should be (and not double in cost)

CONGRATULATIONS...you just completed your on-line chapter affiliation process!

**Thank you for affiliating your chapter with
PENN HOSA-Future Health Professionals and
HOSA-Future Health Professionals**
